

# Picturesque & Peaceful Kyoto

## The best off-the-path summer spots!

### Jade Course

#### ① Jingo-ji Temple

16 National Treasures of Japan can be seen in this Buddhist temple. The main hall houses one of these treasures, the central image of Yakushi Nyorai (the Buddha of healing). Besides praying for good health, you can try to drive out the evil spirits by throwing a "Kawarake", a small clay dish from the famous Kinunkei cliff and aim for the river.

Check point: Green Maple leaves

#### ② Saimyō-ji Temple

The small temple was established in the Heian Period and it is right on the way to Jingo-ji and Kōzan-ji. Foreign visitors will find the view of the stone lanterns outside the temple very lovely and "Japanese"!

Check point: Green Maple leaves

#### ③ Kōzan-ji Temple

The temple that was founded in 774, holds a large number of treasures: 10,000 Important Cultural Assets and 8 National Treasures. Also, it contains the oldest tea field in Japan (the seeds are from China brought to Japan by the Zen priest, Eisai).

Check point: Green Maple leaves

#### ④ Giō-ji Temple

It is the secret moss garden of Kyoto. At least 18 moss species coexists here among the old stone lanterns and on the grounds of the small gardens. It is an uncrowded, magical place with a few flowers and lots of green.

#### ⑤ Daikaku-ji Temple

The temple was founded in the Heian period and functioned as a villa of Emperor Saga. The main images of the temple is the Five Wisdom Kings.

The artificial pond in the garden is the oldest Japanese garden pond from the Heian period.
