

# Making Meetings Simple

## eMeet Smart Conference Speaker--- OfficeCore M2

Turn any workspace into an instant conference room. eMeet Smart Conference Speaker M2 is a portable speakerphone. It is compact and portable and fits easily inside your briefcase, wherever you're going. Speakerphone M2 lets you instantly connect and start a video or audio conference via 3.5mm analog audio, Bluetooth or USB.

When you need to take a call at home, in a busy office, or in a hotel room on the road, the speakerphone M2 provides long battery life up to 12 hours of talk time. Noise-cancelling microphone array and speaker offer clear sound on both ends of the call.

Set up is a snap, just connect your mobile phone, tablet or personal computer to the speakerphone M2 by using *Bluetooth*®, or the attached Aux cable, USB cable.

With advanced technology, such as VoicelA™ Algorithm, Acoustic Echo Canceller and Noise Reduction, the speakerphone M2 make sounds much more clearly, and provides a perfect meeting experience.

Download eMeet APP form APP store or Google Play. With APP, M2 help to modify name of eMeet device.

# eMeet Smart Conference Speaker --- OfficeCore M2
