PRAY In the 43 towns we will be riding through there are only 193 churches of any kind for a total population of 82,024. Pray for God to raise up both the leaders and financial resources needed to start churches that will share Christ with the people living in this part of Iowa. You can follow along with me on Twitter (X Evangel Mission@cemdirector) and Facebook (Christian Evangelistic Mission@cemchurches) as I ride.
