Thank you!!

Dear Mr Cheng,

Thank you for your generous donation from the Colchester Chinese Association. It means so much to us here at Colchester & Ipswich Hospitals Charity. You can be sure that your donation of £6,278.00 will go directly to COVID 19 Staff Benefit to help support the health and wellbeing of NHS staff in ways that would not be possible from NHS funding alone.

Our NHS staff are amazing, dedicated people who work tirelessly to provide the very best levels of care at all times. By supporting the appeal, you have helped them continue their life saving work.
