

EXPI AWARD SPONSORSHIP

2017 West Michigan Design and Construction EXPI Award

Sustainable Construction and Innovation

What is the Sustainable Construction and Innovation Award?

This award recognizes sustainable construction and innovation that has proven economic, environmental and/or social benefits, and contributes to sustainable building practices. The innovation should be recognized as a robust **building project, product, or service**, to which the market is responding with enthusiasm.

How your company will benefit by sponsoring this award:

- Your company logo and link to your website on the EXPO website as the EXPI Award sponsor.
- Your company logo on all correspondence as the EXPI Award sponsor.
- A representative from your company will present this award at the EXPO, October 26, 2017 during the Networking Event at 5pm.
