

THANKS TO THE ETON PARISH EDUCATIONAL TRUST

Following a successful application to the Eton Parish Education Trust (EPET) for funding, the children have all been enjoying using the new Learn Pads purchased by school in their everyday classroom learning. These devices are a fantastic addition to the school and will enhance all aspects of the curriculum. We are hugely grateful to EPET for their consideration of our requests for resources that the school would be unable to fund directly. We were delighted to welcome three members of EPET; Dr Andrew Gailey, Rev La Stacey and Mr Roderick Watson, to Eton Porny this week to talk to the children and see the Learn Pads in action. They also spoke to our Year 3 and 4 children about the WindSOR: Singing Outreach programme, another project EPET are funding in school until Easter next year.

SEBMAT STAFFING UPDATE

Mr Paul McAteer, SEBMAT CEO, announced in March that he was leaving SEBMAT at the end of August to move on to new challenges. On the 12th June SEBMAT appointed Chris Spencer as CEO and Robin Crofts as Chair of Directors with effect from September.

NSPCC 'SPEAK OUT - STAY SAFE'

As you will already be aware, this week the NSPCC delivered a worthwhile and empowering session to all the children about how they can keep themselves safe from harm and get help if they have any worries. All the children will be taking part in a fundraising sporting activity next week called **Buddys workout**, raising money for the NSPCC's vital work.

Participation is purely voluntary but if you would like to support the NSPCC's work, it would be fantastic if you could sign and return the sponsor form to the school office as soon as possible.

If you have more than one child in school simply put all your children's names at the top of one form.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website nspcc.org.uk/preventing-abuse/keeping-children-safe/

THANK YOU TO ETON COMMUNITY ASSOCIATION

A big thank you to the Eton Community Association and specifically Paul Bayley who has produced a beautiful sign to enhance the quiet area recently developed in our garden. The children are thoroughly enjoying the garden, and have been especially appreciating the shade it offers this week in the extremely hot weather

RAISING MATTERS & DISCUSSING YOUR CHILD WITH SCHOOL

Should you wish to discuss a matter regarding your child with school, please ensure you follow the correct procedure. Firstly talking with your child's class teacher, then, should it be necessary a more senior member of staff (Miss Kalra), thirdly with the Assistant Head Mrs Stanford-Smith and finally with the Headteacher. All appointments can be made via the school office.

FOUNDATION CLASS - UNIFORM ORDER

A reminder to all Foundation parents that they need to place their orders for their children's blazers and ties for Year 1 by Friday 30th June, at the school office.

YEAR TWO - LUNCH ACCOUNTS FOR NEXT YEAR

From September 2017 when they become Year 3, your children are no longer eligible for Universal Free School Meals and will be required to pay for their cooked school lunches at a cost of £2.20 per day. All lunches will need to be paid for using our online system, with cash and cheques accepted in exceptional circumstances. Year 2 parent/carers will be receiving detailed information next week about setting up your online account in advance of the start of the next academic year.

SPORTS DAY - THURSDAY 29th JUNE

This year we are once again holding Sports Day at Eton Recreation ground – this is located on South Meadow Lane, just next to Eton Town playground.

The children should arrive at school at the usual time of 8:50 **already wearing their PE kit**. We will have a normal morning in school, with a slightly earlier lunch, and children will walk together to the field, for a 1:00pm start. **We will serving fish and chips on Thursday (Sports Day) this week** and Thursday's menu will be served on Friday.

As last year, the children have been grouped vertically from Foundation Stage to Year 4. This means that each team has some children from each year group, with siblings grouped in the same team for ease of viewing! (please note that to make teams even, your child's colour may be different to last year)

What should your child wear for Sports Day?

Eton Porny T – Shirt

Navy shorts

Navy Sweat shirt

Trainers or plimsolls (we would recommend that children wear trainers, as the grass may be slippery)

Important extras

A sun hat /rain coat (depending on the weather)

Please ensure your child's school water bottle is in school, or provide an alternative

Please apply sun tan lotion as appropriate

There will be refreshments on sale by the PTA, and parents are asked to bring along their own chairs and blankets to sit on. The sporting events are likely to end at the usual finish time of 3:15pm and children **will need to be collected from Eton Recreation Ground**. Children who take part in the Wycombe Wanderers after school football club will be walked back to school by staff. There is no choir on Sports Day.

Please come and cheer on your children in what will be a fantastic afternoon!

I hope all our families have a relaxing weekend, and would like to wish all those celebrating Eid, Eid Mubarak!!

Best regards, Katherine Russell

ATTENDANCE

Our **WHOLE SCHOOL** attendance target this year is 96%

Our whole school attendance this week is:

 **95.4%** 

LATE ARRIVAL IN SCHOOL

This week **4.3%** of pupils were late arriving to school.

every day counts
ATTEND TODAY -
ACHIEVE TOMORROW!

CHILDREN'S COMMENT CORNER...

'I really liked making ice-cream. We need milk and sugar. Put ice in a bag and shake and shake.' (Boris, Foundation)

'We've learnt about acrostic poems and made our own.' (Hermione, Yr1)

'This week we had a new topic called Land Ahoy and read the story The Night Pirates. Pirate Patch sent us a message in a bottle!' (Maria, Yr2)

'We went on the learn pads and played games linked to maths.' (Sophia, Yr3)

'I liked working out division problems.' (Abdullah, Yr 4)
