Introduction

1. A message to Engaged Couples Planning a Wedding at the Cathedral. Congratulations on your decision to marry! Now that you have decided to marry, you will undoubtedly be putting a great deal of time, effort and prayer into planning and preparing for the wedding ceremony. Since you are planning to make the Cathedral the place for the celebration of your wedding, everyone at St. Mary's Cathedral would like to be as helpful as possible. That is the purpose of this booklet.
2. Because we schedule many more weddings here at the Cathedral than the typical parish church, we have found that it is helpful for everyone concerned - you, your families and your guests - if we put our expectations in written form. It is our experience that everything will go much more smoothly, both in preparation and in the ceremony itself if everyone knows what is expected of them, and adheres to those expectations.
3. Please understand that because of the number of weddings taking place at the Cathedral, we cannot begin making exceptions to the policies we have established. Additionally, we have the responsibility of assuring that weddings celebrated at the Cathedral Basilica of the Assumption adhere to Church law and liturgical standards. In choosing the Cathedral Basilica of the Assumption as the place for the celebration of your wedding, you also have chosen to abide by the policies governing your Wedding Liturgy and the use of the facility. The information in this booklet is designed to help you with your wedding ceremony.

After you have read these guidelines, please sign the ACKNOWLEDGEMENT sheet at the end of this document, then detach, and bring it to your initial meeting with the Cathedral Rector.

Very Reverend Ryan L. Maher, Rector

Confirming the Date

4. The first step in scheduling a wedding at the Cathedral is to call the Parish Office at 859-431-2060. The wedding date and time you have cleared with the Cathedral Secretary are **ONLY TENTATIVE**. We will hold that date and time for you for **seven (7) days**, during which time you (prospective bride and groom) must contact the Cathedral Rector, Very Rev. Ryan L. Maher, to schedule a meeting with him.
5. If all is agreeable at that time, the date and time will be held for you per payment of the nonrefundable deposit of **\$500.00** due within **fourteen (14) days** of your meeting with the Rector; the reservation of the date is, however, not a final commitment to the wedding taken place at the Cathedral; that commitment is made only when the priest or deacon officiating at the ceremony has completed the marriage preparation with you, is satisfied that you are adequately prepared for the lifetime commitment implied in Christian marriage, and has supplied all of the proper papers to the Cathedral.
6. If you have not contacted the Rector and made an appointment to discuss the wedding within the allotted **seven (7) day** time period, the tentative hold on the date and time selected will be dropped, any deposit submitted will be forfeited and that date will become available to anyone

who might request it. If, after requesting that we hold a time and date for your wedding, you should no longer intend to follow through with your plan, please inform the Cathedral secretary so that the date and time can be made available to someone else.

Wedding Times

7. Because of other regularly scheduled services at the Cathedral, weddings can be scheduled only at certain times. These times are on Fridays at 6:30pm and Saturdays at 1:00pm or 6:30pm. Weddings are not scheduled on Sundays or holidays, including civic holidays. Weddings are not held during Lent. The time of the rehearsal will be scheduled by the Cathedral secretary.

Officiating Priest/Deacon

8. The priests who staff the Cathedral are unable to accommodate requests to celebrate the weddings of those who are not parishioners of the Cathedral. The proper priest for doing so is your pastor (of either the bride or the groom). You are also free to invite any other priest or deacon who is in good standing with his Bishop and agreeable to the Rector to officiate.

9. We cannot confirm a date with you until you have a commitment from a priest or deacon who has agreed to accept the responsibility for the wedding. The priest or deacon who will officiate at your wedding is responsible for all prenuptial preparations, conducting the rehearsal, and the wedding itself. He is responsible, of course, for seeing that all diocesan norms, liturgical norms and Cathedral policies are followed. A letter from the Cathedral will be sent to the priest or deacon to ensure that he is clear about the responsibilities.

10. Any ecumenical gestures must be approved by the Rector of the Cathedral. This includes the participation in any public role by any non-Catholic minister.

Supervising Deacon

11. The Cathedral will provide a deacon to supervise the rehearsal and the wedding. The deacon will ensure the proper implementation of these guidelines and, as such, will take overall charge of the wedding and rehearsal as the representative of the Rector.

12. His decision in all matters is final. He will make sure that the Cathedral is open ahead of time and that the facilities are available. The deacon will provide direction as well as offer any assistance and any advice requested during the rehearsal. The deacon will serve as sacristan for a Mass and will be available to assist the priest at the altar for Mass. The deacon will retrieve the Eucharist from the Blessed Sacrament chapel as needed prior to Communion and will repose the Eucharist after Communion.

Music

13. Music is an important element of all weddings celebrated at the Cathedral Basilica of the Assumption. Careful attention to the choice of music (as well as the Scripture readings and liturgical prayers) will enhance this sacred celebration not only for the two of you, but for all who witness your marriage vows. This enables everyone to participate in a focused and spiritual manner.

14. Either Mr. Gregory Schaffer, Basilica Organist and Choirmaster, or Mrs. Margo Hein Johnson, Director of Anawim of Covington, will perform and be in charge of the music for your wedding. Any function of cantor will be provided by either Dr. Schaffer or Ms. Johnson. They will provide an organist and a cantor. The role of cantor is to lead and assist the assembly in singing.

***Outside musicians or cantors are NOT permitted to function in these roles at Cathedral wedding celebrations.

15. To help you determine what music will be used at the wedding, you will be provided with planning instructions. Demo CD's of wedding music are also available.

16. The couple should make contact with the Cathedral staff musician to be in charge of their wedding music as soon after they have met with the Rector and have reserved the date and time with the Cathedral.

17. The church wedding is a sacred rite invoking the blessing of God on the union of bride and groom. Any music used in connection with this ceremony must mirror the dignity of the Cathedral and the sanctity of the sacrament being celebrated. Wherever music is employed, and by whatever instruments or voices, it must reflect the festive yet reverent nature of the liturgy.

18. The music and texts selected should express the praise of God, God's love in Christ as the foundation and model for marriage, or the asking of God's presence and blessing. For these reasons, music from the operatic stage, secular theatre or popular culture is not permitted. The music staff of the Cathedral will assist you in every way toward fulfilling these guidelines as you select the music for your wedding.

Preparations

20. The Diocese of Covington requires that the arrangements for a wedding be begun at least nine (9) months prior to the date of the ceremony. The initial contact with the Cathedral must be at least nine (9) months prior to the desired date, but because of the frequent use of the Cathedral and the schedules of priests and deacons, the reservation of a particular date often requires a much earlier contact. During the nine months prior to the wedding, other preparations must be completed. This is an important time for you. Our concern during this time is not just for the wedding ceremony, but also that you be prepared as well as possible for your life together as a married couple.

The requirements for marriage preparation are the following:

21. Participation in one of the diocesan programs for engaged couples: Engaged Encounter or Living Marriage as a Sacrament or Evenings for the Engaged AND a Natural Family Planning Program. The description, schedule and cost for these programs are available from Office of Catechesis and Faith Formation, www.covdio.org or (859) 392-1500. A program approved by another diocese is acceptable. A copy of the certificate obtained upon completion of the program must be submitted for the marriage file; AND

22. A series of sessions with the priest or deacon who will officiate at the wedding. This will include the gathering of information for the documents required by Church law, the preparations for the ceremony, information designed as instruction in the meaning of a Catholic marriage, and may include use of a professional evaluation tool designed to point out strengths and weaknesses in your relationship.

23. All preparations must be completed at least one (1) month before the wedding and the officiating priest or deacon must have sent the completed materials and all other completed paperwork to the Cathedral by that date. If a priest or deacon of the Cathedral staff will preside at your wedding, contact him to begin these preparations at least nine (9) months prior to the wedding date.

Documents Needed

23. Certificate or the equivalent for an approved engaged couple program and natural family planning program..

24. Baptismal certificates for both parties whether Catholic or Protestant. A baptismal certificate of a Catholic Party must be one issued **not more than six (6) months prior to the ceremony**.

25. The completed diocesan marriage preparation forms as well as any required dispensations and permissions and letter from the pastor of each Catholic party giving permission for the wedding to take place at the Cathedral.

26. If either party was previously married, official copies of Church documents must be submitted which prove that the person is free to marry in the Catholic Church. If widowed, a death certificate of the deceased spouse is needed. If divorced, an official copy of the declaration of nullity from the Church and an official copy of a civil divorce decree must be provided. No wedding will be scheduled until any annulment processes are complete.

27. A civil marriage license from the Commonwealth of Kentucky must be given to the priest or deacon prior to the ceremony. The license must be obtained within thirty (30) days prior to the wedding. The wedding cannot be celebrated without this license. At the very latest, the license must be brought to the rehearsal filled out after the wedding and left with the paperwork at the Cathedral.

Photographs:

28. To help us maintain the dignity and solemnity of your wedding, we ask that you inform your photographer of the following restrictions.

29. Flash or extra lighting is NOT permitted during the opening procession or the ceremony; photographers must use the available light.

30. During the ceremony, pictures may not be taken from the head of the aisle after the procession is completed.

31. Photographers must not enter the sanctuary at any time or come between the people and the altar during the ceremony; they must remain on the periphery once the procession is completed. The sanctuary is the area around the altar and the steps that lead up to that level.

32. Photographers are not permitted in the choir (south) loft but are permitted in the west loft, but only in the space on the entry side of the organ. The Cathedral retains the right to restrict photographers found to be uncooperative or non-responsive to Cathedral policies or directions at previous weddings. All such decisions are within the absolute and sole discretion of the Cathedral personnel. Posed photographs after the ceremony have become a common part of weddings: Because of the Cathedral schedule, the time allotted for these pictures is limited. The amount of time available will depend upon the length of time for your wedding.

- Pictures after a 6:30 pm Friday wedding must be completed by 8:00 pm
- Pictures after a 1:00 pm Saturday wedding they must be completed by 2:30 pm
- Pictures after a 6:30 pm Saturday wedding by 8:00 pm

A prompt starting time will aid with maximizing the time for pictures. Please do not ask the supervising deacon to extend the time for photographs as this will not be granted.

33. Arrangements for some pictures to be taken in church or in the garden prior to the ceremony can sometimes be made, but only with the agreement of the deacon assisting at the wedding. Weather permitting, photographs may generally be taken in the garden at the rear of the Cathedral prior to a 6:30 pm Saturday evening wedding provided that there is no disturbance of the people attending and leaving the 4:30 pm Mass.

34. There is no room available for the photographer to use as a studio. Pictures may not be taken in the Blessed Sacrament Chapel. **Please Note:** The wedding party and any others to be in photographs must return to the sanctuary immediately after the recessional for the photographs after the wedding.

35. A RECEIVING LINE OR "RELEASE" OF THE CONGREGATION (GUESTS) BY THE BRIDE AND GROOM IS NOT PERMITTED. The complete wedding party must recess down the aisle and return by the south side aisle to the altar steps for the pictures. The guests must leave the cathedral (preferably by the main entrance) by following the wedding party. The priest or deacon presiding at the wedding should help to facilitate this departure in a timely manner.

Videotaping of Weddings

36. Videotaping is permitted only if the following guidelines are observed. The use of a drone or any other similar device inside of the Cathedral is strictly prohibited.

37. The same rules as for still photographs, above, must be followed, including the sole use of the west loft and the non-use of the choir (south) loft.

38. No equipment may be installed more than one hour prior to the wedding or before the assembly has left from any previous function. All equipment must be removed immediately after the wedding.

39. No cables or electric cords may be used in positions where people will walk. No additional lighting may be used.

40. Movement of cameras and videographers must be held to a minimum.

Starting Time Must Be Respected

41. All weddings are expected to start on time. Ushers are to stop seating guests five (5) minutes before the ceremony is scheduled to begin, so that parents (and grandparents) can be seated and that everyone in the wedding party will be ready on time. After seating has ceased, guests are to be directed to seat themselves by means of the side aisles. (Note: Any delay in starting will accordingly lessen the amount of time for photographs afterward.

Sanctuary Furnishings

42. There is one standard sanctuary arrangement for all weddings: two chairs and two kneelers. The two chairs can be placed either on the floor of the nave in front of the first pew on the ambo side OR two chairs can be placed in the sanctuary facing the south side of the altar and the great window. The kneelers, which must be used at wedding Masses, are placed only in front of the altar facing the apse. These items will be placed by the supervising deacon. Other chairs may not be moved for the wedding. The priest or deacon uses the chair at the center back of the sanctuary. The Rector's chair by the pulpit may not be moved or used. The Bishop's throne, of course, may not be moved or used. The small backless seats next to the Bishop's throne also may not be used.

Flowers and Decorations

43. Flowers for the wedding are the responsibility of the couple. The sanctuary of the Cathedral is a large space; to be effective; any flower arrangement(s) must be large. Flowers may be placed only at the corners of the steps to the sanctuary and/or in front of the altar, if kept low. It is advisable that you choose a florist who is familiar with the space.

44. Flowers may not be placed on the top of the altar. Artificial flowers are not permitted. Flowers left after a wedding become the property of the Cathedral. The leaving of flowers is encouraged.

45. No extra candles may be used in the Cathedral. The "unity candle" may not be used. The candles present at the altar may not be moved nor may any cathedral furnishings be moved. When candles are lit at the altar, only three candles on each side of the altar are lit.

46. No decorations of any kind (candles, flowers, ribbons etc.) may be placed on the pews.

Marian Devotions

47. The custom of dedicating a flower or bouquet to the Blessed Virgin Mary is not a part of the marriage ritual, and is not very effective visually at the Cathedral, since the shrine for the Blessed Mother is off to the right and behind several columns and it is difficult for the assembly to see it. It is permitted for those with a particular devotion to Our Lady.

The Rehearsal

48. Everyone coming to the rehearsal must enter the north side entrance to the Cathedral and should park in the parking lot on the north side (Latin School parking lot). Please see that everyone coming to the rehearsal is alerted to this. North doors will not be open and may not be opened. The supervising deacon will generally have the north doors open **thirty (30) minutes** prior to the scheduled start of the rehearsal. Musicians do NOT attend the rehearsal.

49. Rehearsals must start promptly on time and must be finished within one (1) hour. Participants in the rehearsal should leave the Cathedral promptly at the end of the rehearsal. If you arrive early for a rehearsal you may wait in the parking lot, weather permitting, or enter the Cathedral, but "please be quiet and aware that there may be a rehearsal or another event in progress.

50. As always, please be respectful of the Cathedral as a house of God, before during and after the rehearsal. No food or drink is ever permitted in the Cathedral; it will be removed and disposed of by the Cathedral personnel. Keep talking to a minimum and talk in hushed tones. The Blessed Sacrament chapel is strictly reserved for silent prayer.

Liturgical Ministers

51. The Cathedral does not provide liturgical ministers other than the supervising deacon for weddings. The supervising deacon will serve as sacristan and take care of all of the "behind the scenes" details. If you want servers and/or Lectors, you must provide them. You must choose individuals who have experience in the ministry they will fulfill. It is better not to have ministers to assist the priest, than to have persons with little or no experience to fulfill these ministries.

52. "The person(s) who proclaim the word of God during the celebration of the sacrament of marriage must be Catholic and must have completed a diocesan education for lectors and been commissioned by their pastor. A commissioned lector should be asked to proclaim the word of God during the wedding liturgy. On the rare occasion when a commissioned lector, either from the parish or the family of the bride and groom is not available, a Catholic member of the parish or of the family may be asked to proclaim the readings" (*Norms for Lectors, 2010*).

53. When the wedding ritual is within Mass, Holy Communion under only one species as the Body of Christ will be provided for the assembly; there will be no Communion from the Cup provided for the assembly. Holy Communion under both kinds will be given to the Catholic

bride and the Catholic groom. Extraordinary ministers of Holy Communion will not be used at Cathedral wedding Masses.

On the Wedding Day

54. The wedding party must arrive on time. The groom, groomsmen and ushers should arrive fully dressed at least one half hour prior to the wedding. The bride and bridesmaids should arrive also fully dressed at least ten (10) minutes before the wedding. There is no place at the Cathedral for persons to change clothes or to dress or undress on the premises. It is common courtesy to the guests, the music ministers and the supervising deacon that the wedding starts on time. If a wedding is late starting, there will be that much time less for pictures afterward. Worship aids, if any, (programs and the like) for the ceremony should be distributed at the main entrance and at the north side entrance.

Miscellaneous Items

55. The priest or deacon presiding at a wedding is responsible for the design of the ceremony and for conducting the rehearsal. So-called "WEDDING COORDINATORS" "WEDDING PLANNERS" OR SIMILAR PERSONS EXTRANEIOUS TO THE CELEBRANT AND THE CATHEDRAL STAFF are not permitted to function in any role at the rehearsal or the wedding, or the music planning process.

56. In the procession, as members of the wedding reach the head of the aisle, they must bow to the altar and go immediately to their pews. There will be no "display" of the wedding party on the sanctuary steps or on the main floor until the rite of marriage. Wedding attendants are seated in the front pews on either side in the nave of the church.

56. **PLEASE NOTE:** The consumption of any food, any drink, alcoholic or non-alcoholic, on the Cathedral property prior to or after the wedding is strictly forbidden. Anyone who shows signs of having consumed alcoholic beverages will be asked to leave the premises and to not participate in the wedding and the rehearsal at the absolute discretion of the Cathedral personnel.

57. Throwing rice, confetti or bird seed and the scattering of petals is strictly forbidden. The use of an aisle runner is not permitted. No signs or decorations of any kind may be affixed in any way to any of the doors of the Cathedral. No vehicles may be parked on the sidewalk in front of the Cathedral.

58. Participation in the ceremony by a member of the non-Catholic clergy must have the specific approval of the Rector of the Cathedral.

59. The wearing or display of signs with writing of any kind is prohibited, e.g., The junior ring bearer or any person in the wedding party may not wear a sign around their shoulders or elsewhere, with writing on it.

Notifications

60. Please call the Cathedral at least thirty (30) days before your wedding with the names of your photographer and florist. If they have any questions they can contact the Cathedral directly.

61. The following fee structure does not include any fees for music or flowers; they are just for the use of the Cathedral space.

62. There is no additional fee or deposit for use by a couple wherein one party has been a financially supporting registered member of the Cathedral for two years prior to scheduling the wedding or wherein one party's parents have been financially supporting registered members of the Cathedral for two years prior to scheduling the wedding. A donation to the Cathedral Basilica, however, would be greatly appreciated.

63. For those who have been financially supporting registered parishioners, or whose parents have been such, of a parish in the Diocese of Covington, and who can produce a letter or a phone call stating such from the pastor of that parish, the total fee is **\$1100.00** (\$600.00 in addition to the \$500.00 deposit), balance due one (1) month before wedding date.

64. For all others, the total fee is **\$2,250.00** (\$1750.00 in addition to the \$500.00 deposit), balance due one (1) month before wedding date.

65. The fee paid to the Cathedral includes use of the space as instructed above and compensation to the assisting deacon. It does not include any compensation to the presiding priest or the presiding deacon, nor for musicians.
