

# ADAM AND EVE'S SIN

## "The Forbidden Tree Connect the Dot" Activity

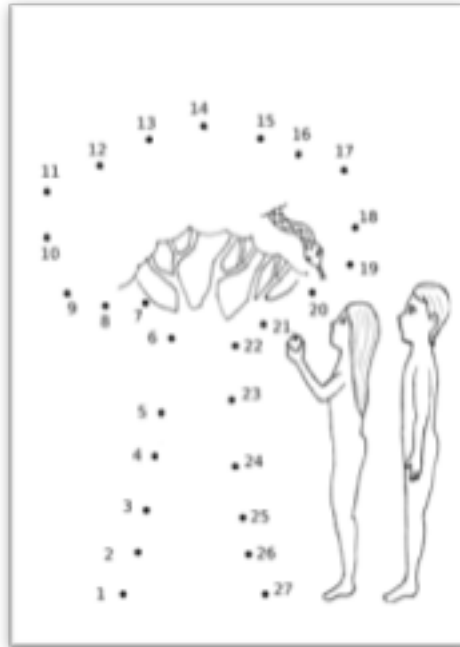

### Activity

God made a perfect garden for Adam and Eve to enjoy. God had only one rule: Adam and Eve must not eat fruit from the tree in the middle of the garden. In this activity the children will connect the dots to find out God's special instruction for Adam and Eve.

### Procedure

- Print the Forbidden Tree Connect the Dot template.
- Have the children connect the dots to reveal the answer. Help where needed.

**Explanation:** Remind the children that we must obey God's instructions.

God told Adam and Eve not to eat the fruit from where?
