How do you handle objections?

TWO MOST COMMON OBJECTIONS: "I HAVE NO MONEY AND NO TIME."

I know how you feel; I felt the same way. What I've learned is that you can't continue doing the same thing and expect different results. When I gave this business a shot, I started to have time and money. This business actually allows you to leverage your time and have your money start working for you! How's that sound? Get them to the next event or plug them into your marketing system.

STEP 8: CLOSE, CLOSE, CLOSE!

Here are some tips to help you enroll more customers and affiliates into your business.

1. Smile
2. Be positive
3. Be enthusiastic
4. Communicate clearly
5. Listen more than you speak
6. Make eye contact
7. Follow up
