

# NO ZEBRAS: NO EXCUSES.

ADDRESSING THE BYSTANDER MENTALITY

***Nobody ever told us that:*** A vast majority of rapes on campuses are by someone the survivor knows. Half of college women who are raped do not tell anyone about the assault. Over 3 million women will be assaulted this year. Of these women who are assaulted, only 1 in 100 will report it to the police if victimized by someone they knew. Fewer than 30 out of 100 women assaulted by a stranger come forward. 85% of women assaulted knew their assailant.

Most survivors never tell anyone about the assault. Assault survivors account for approximately 70% of all suicide attempts. Very seldom are the reports of sexual assault false accusations approximately 5-6%. 75% of survivors of sex crimes will later have issues with eating disorders, alcohol abuse, and prostitution. Most sexual assaults involve the friend or acquaintance. Only 27% of the women whose sexual assault met the legal definition of rape thought of themselves as victims. The survivor does NOT have to say NO they have to give consent. Most rapes are premeditated. Most women do not seek help. Most rapists will repeat successful behavior. Rape on College Campuses: The number of survivors who report on college campuses is low. Lack of recognition. 5% of college women report it to a rape crisis center. 1 in 4 women and 1 in 10 men experience sexual violence. A rape or attempting to
