Chief Executive Officer

Re: Temporary Food Permits

Dear Vendor,

A temporary food permit application is necessary when wanting to set up a temporary food stand for a festival or event. The application will be due before the first event to be attended.

**The permit fee will be \$50.00 per food stand** and will cover Saline, White and Gallatin Counties; there is no fee for Not-for-Profit organizations. Please submit a separate application and fee for each food stand you intend on having. The permit fee can be paid by cash, check, money order or credit card. A space is provided on the permit application form for a credit card payment. Note that the form is two sided.

Operating permits will be delivered at the first inspection.

The application and a checklist of necessary requirements can be printed from the Egyptian Health Department website, [www.egyptian.org](http://www.egyptian.org) or requested from the Environmental Health staff.

Sincerely,

Environmental Health  
Egyptian Health Department
