## HOME FURNITURE COLLECTIONS ASSEMBLY INSTRUCTIONS PALERMO DUAL HEIGHT STOOL

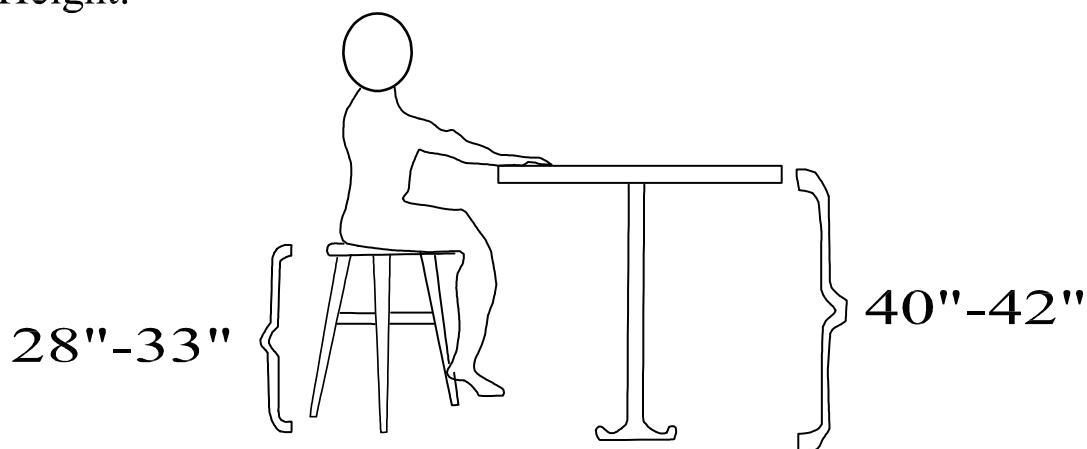

### What Height is right for your table surface?

#### Counter Height:

Counter Height Tables are typically around 35"-36" high. Therefore, the counter stools that match these tables are usually in the 24"-26" range. Counter Height furniture is typically used in casual dining setups, pub sets, and home kitchen islands.

#### Bar Height:

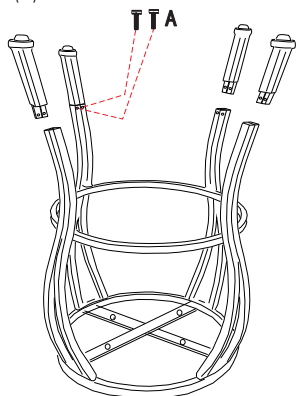

Bar Height Tables are typically around 40"-42" in height. Correspondingly, the bar stools are in the 28"-33" range. Bar height furniture is most commonly used with home bars but can also be found in some pub sets, tiered islands, and counter set ups.
