SUMMER 2017

WELCOME TO THE KLUB DAY CAMPS

We are glad to have you back, although if you are new, we are sure you will find plenty of great opportunities for your child to get involved in this summer. By choosing Lake Naomi Club's Klub Camps you are getting more than just a summer day care service. Your child will learn, grow, and have fun through our carefully planned, age appropriate curriculum that encourages your child to build relationships, make positive choices and develop skills.

Our Camps are designed to meet the varying needs of any camper. Are you looking for a morning camp, afternoon camp, or both? One week, two weeks, or all summer? A camp with a variety of activities or a specialization in your child's interest? Lake Naomi Club has something for everyone.

As always, our program will have changes this year, but overall it will have a very similar structure as far as activities, scheduling, and field trips. Each week will have a theme to provide a different focus for our games and crafts, as well as coinciding with most Tuesday Night Cookouts. In all of our Klubs, campers will be grouped based on the grade level they will be entering in the September 2017 school year. To give us time to prepare for your child, please honor the Saturday prior to the week registration deadline.

This catalog outlines what we are offering this summer and information on how to register. If you have any questions or need further assistance please contact the Recreation Manager, Crystal Bankes at the Community Center, (570) 646-8585.

We look forward to having a safe and fun 2017 Summer Season.

POLICIES AND GUIDELINES

REGISTRATION

Pre-registration is required for Klub Day Camps and closes at 10:00 PM the Saturday prior to the start of the next week of camp. Registration for each child must be accompanied by full payment and done online only. On-line registration is available via a link on the Lake Naomi Club Website under the "What's Happening" tab. No registrations will be accepted over the phone. Registration begins June 1st.

LOCATION

All groups for camp will be based at the Logan Steele Community Center. Kids Klub includes field trips to other Lake Naomi venues such as the tennis center, golf course, swimming pools, beaches and other local hiking areas. Optional off-site field trips are offered weekly at an additional charge.

ACCIDENTS AND INJURIES

Please make sure your child reports all injuries to our staff so that we can take care of them properly and notify you if necessary. We will notify you of any injury your child suffers at camp. With our young and tender age groups, we will let you know of even the most minor injury that may occur - we call it a "boo boo" note - one will be sent home with your child if necessary. If you have any questions about an incident please ask the Camp Director for further clarification.

We are happy to announce that for the 2017 Summer Season, we will again have a full-time ranger that is dedicated solely to our camp programs. The ranger will be based out of the Community Center from Monday through Friday between 8:30 AM - 4:30 PM.

MEDICATIONS

It is very important that a parent or guardian list on the registration form any and all medications a child may be taking. In the event of an emergency, this information would be needed for your child's care. You must also fill out a release form for any medication that the child may need to take while attending camp or in case the child has an emergency (such as Benadryl®, EpiPen®, etc.). Children should not carry their own medications and cannot be responsible for taking any medicine on their own, regardless of their age. All medications are to be delivered to the Kids Klub Director or Assistant Director, together with proper labeling and complete instructions. Please remember to take home any and all medications on your campers last day of camp.

PHONE

The Camp Director or Assistant Director can be reached between the hours of 9:00 AM to 3:00 PM Monday through Friday at (570) 646-8585. Please limit the use of phone calls to camp business and emergency situations. Please provide written notice for changes in your pick up arrangements.

DRESS

Children should come dressed for active play every day. Sneakers and clothing that can get dirty are highly recommended. Flip flops are discouraged and may make your child unable to participate in many of our outdoor and sport activities because they increase the risk of injury. You will be notified on the first day of camp each week what day your child will be going to the beach or pool; please send them with the appropriate swimwear. Don't forget jackets, hats, sunglasses, sunscreen and bug spray when appropriate. Old shirts for art smocks are welcomed.

CELL PHONE USE POLICY

Cell phone use (calling, texting, gaming, social media, photography, etc.) is not permitted during the day by campers. We encourage you to keep your child's cell phone at home so they can have some quality "unplugged" time and get the most out of their experience. If you would like your child to have their phone for emergencies, please make sure it remains off during the day or, preferably, you may check it in with the Camp Director.

Counselors will confiscate any cell phones being used during camp time for the remainder of the day. If the problem is recurrent we will contact you and request that your child does not bring their phone with them. This policy includes all cell phones, tablets, gaming device, etc. If you need to contact your child please do so through the Kids Klub Camp Director who can be reached at (570) 646-8585.

DISCIPLINE POLICY

The philosophies of our programs are based on mutual respect being shown for and between all members and staff. We relate to children on an individual basis. Rules, expectations, and consequences will be made known to all children upon entry into the program. Should a discipline problem arise our first actions are to guide or redirect that individual to better behavior and give a verbal warning. Methods such as "time-outs" or cool down periods will be used to help relieve these situations. If the young member continues to act inappropriately, the parent/guardian will be notified and documentation of the behavior past and present will begin. If these steps do not correct the problem, the parent/guardian, child, counselor and/or manager will meet to discuss corrective procedures. Should this process prove unsuccessful, the young member may be dismissed from the program and possibly unable to participate for a determined time period. Under no circumstance will physical attacks be allowed, young members who are physically harmful to staff or other participants will be dismissed from the program.

EARLY PICK UP/BUS CHANGES

If you need to pick up your child early, or make bus changes for any reason, you must send a signed note to the Camp Director first thing in the morning. When you pick up your child, you must see the Camp Director and they will have a counselor escort your child to the desk for pick up. For your children's safety, no counselor will directly release a child to anyone.

LATE PICKUP AND FEE POLICY

Lake Naomi Kids Klub ends at 12:00 PM and Afternoon Klub ends at 3:00 PM. If you are running late for a pick up please call the Camp Director at (570) 646-8585. A late fee of \$20 will be assessed after the program closes. An additional fee of \$1.00 per min. will be assessed for each min. late past 12:10 PM for Kids Klub and 3:10 PM for Afternoon Klub. The fee will be payable at the Community Center front desk at the time of pick up.

AGE/GRADE LEVEL EXCEPTIONS

There will be no age/grade level exceptions. Camps are designed around curriculum and programming for campers of a certain age/grade level. Campers must be the indicated age/grade level by the first day of camp for that week. Grade level groups are based on the grade the child will be attending in the fall of the current year. Klub Klub participants must be 3 years old before the start of the week. If the child turns 3 mid-week they may start attending at the beginning of the next week. Pre-K grade level must be at least 4 years old to participate. If the child turns 4 mid-week then they may start attending at the beginning of the next week.

TENNIS

After lunch, campers will be transported over to the Timber Trails Tennis Complex for top professional tennis instruction by McKee Tennis. Age appropriate instruction in the fundamentals to more advanced skills, sportsmanship and etiquette will be provided. Campers are required to wear appropriate tennis attire and sneakers that have a smooth sole and will not cause damage to the courts. Please Note: There is an additional \$30 fee for this camp. Space is limited, sign up quick!

SHUTTLE BUS INFORMATION

Please Note: The Shuttle Bus Stops and Times listed in this publication are based on the Green, Yellow and Blue Shuttle Bus Routes. Due to much expansion here at Lake Naomi Club, we now have four different shuttle bus routes:

The Green and Yellow Routes run during the day for Kids Klub, Afternoon Klub and Kub Klub. These routes, stops and times can be found on the following pages.

The Blue Route only runs during the morning pick ups.

(The **RED Route** runs for Night Rec., Pre-Teen and Teen Outings, Special Events and drop-off for Kids Klub Field Trips.)

*** For each and every bus run, the bus will have on display in the front window, back window and side windows, a colorful marking which will indicate which route it is currently running.

- Shuttle Bus Service will again be available for transportation to and from Kids Klub. A counselor will be on the bus during these times.
- Afternoon Klub session will only include drop off at the end of the session. (Participants will either stay from the morning session of Kids Klub or need to be brought to the Community Center at 12:00 PM for the start of Afternoon Klub.)
- Please remember that your child will get off at the same stop everyday unless we receive written notice that a parent or guardian will be picking them up from the Kids Klub Program.
- Please remember that unless you have checked the appropriate box on the registration form, we will not let your child get off the bus without a parent or guardian present. (If your child does not get off at his/her stop for this reason, they will remain on the bus with a counselor and return to the Community Center. Your child will always remain with a counselor or staff member until you can be reached.)

A map is enclosed and shows the Lake Naomi/Timber Trails Shuttle Bus Route. Each bus stop on the bus schedule has been assigned a number. This number corresponds to the map and shows where each bus stop is located.

On days that extended field trips are scheduled, the shuttle bus will first stop at the Community Center to let off any children being picked up and then start the run for drop off.

* You do not have to wait at a designated numbered bus stop; the Shuttle Bus will pick you up anywhere that you are waiting provided it is along the established route. (See highlighted map for exact route.) The Shuttle Bus will not make any pickups or drop offs anywhere off of the route.

REGISTRATION INFO

Camp fees are calculated according to the number of weeks registered for AT ONE TIME. A new registration form must be completed for those wishing to add additional weeks during the summer. Fees for additional weeks will be assessed as a new registration and the cost will reflect that of a new registration.

*** For example: Johnny signed up for three weeks of camp AT ONE TIME and paid \$125 for the first week, \$105 for the second week, and \$105 for the third week. His parents decide to stay for another week and want to keep Johnny in camp. A new registration form must be filled out and the cost goes back up to \$125. If they decide to stay for another week, a new registration form must be filled out and the cost is still \$125. If Johnny's parents decide to stay for two more weeks, a new registration form must be filled out and the cost is \$125 for the first week and \$105 for the second week. ***
