

Donate to Hurricane Harvey relief and see your donation matched!

Record-setting rainfall continues to devastate Texas and parts of Louisiana, and more rain is expected. Thousands have fled to their roofs or higher ground as rescuers cannot keep up with appeals for help. Brock Long, director of the U.S. Federal Emergency Management Agency, predicts that 30,000 people will need to be placed in shelters and Texas will need help for years to recover. Financial damages could be similar to Hurricane Katrina in 2005. "CH2M colleagues and clients in the flooded areas will require assistance for a long time so cash donations of any amount will make a huge difference," according to Ellen Sandberg, executive director of the CH2M Foundation.

Here's how you can help:

- **Donate:** Make a donation, and the CH2M Foundation will match any eligible employee donation (up to \$1,000 per employee) to the Red Cross or Red Crescent through September 15, 2017* up to US\$10,000. Here's how to donate:
 - **U.S. employees:** Visit CH2M's [American Red Cross](#) website and your donation will go directly to help with Hurricane Harvey. International credit card donations are accepted. You do not need to provide a receipt for your gift to be matched.
 - **Non-U.S. employees:** Make a credit transaction on the [American Red Cross site](#) or check your country's equivalent organization on the [International Federation of Red Cross and Red Crescent \(IFRC\)](#) to see if it is fundraising for Hurricane Harvey. To be eligible for a foundation matching gift, e-mail a copy of your donation receipt as soon as possible with the subject line "Hurricane Harvey Disaster Relief" by September 30, 2017, to ch2mhillfoundation@ch2m.com.
- **Volunteer:** [Give your time](#) to support the American Red Cross recovery efforts. Volunteers are working around the clock to provide safe shelter and comfort for the hundreds of thousands of people affected by this disaster.
- **Donate blood:** Contact your [local American Red Cross](#) to donate blood. Blood centers are anticipating a shortage and have put out an urgent plea for donations.

Thank you in advance for your support.

**Although other reputable charities are fundraising for this effort, the match is only available for gifts to the Red Cross or Red Crescent. If you have any questions or comments, contact [Ellen Sandberg](#) or [Marie Gettel-Gilmartin](#). Please direct questions about tax-deductibility to your personal tax advisor.*
