POWERED BY

BACARDI

WOMEN IN LEADERSHIP

One of my favorite events of the year is Bacardi Women in Leadership's annual summit. Our entire committee is comprised of volunteers who plan this event outside of their daily job responsibilities solely because they are committed to elevating all of us to our highest potential. Our rebranded Spirit Forward Summit brings together powerful speakers to offer enriching personal

and professional education through inspiring panels, networking opportunities and more.

Every year I think, "How are we possibly going to make this event even bigger and better compared to the year before?" Somehow, it always happens! And that's due to the energy and synergy of our volunteers and (financially) due to our dedicated and loyal sponsors, whom I hope you will consider being a part of this year. As a sponsor, I think you will share in my enjoyment and passion for this event. It aligns with my company's values, and it certainly aligns with your values as an organization; hence why you are being reached out to regarding collaboration and partnership opportunities. Please join us as we create the ultimate experience of connection, education and activation this coming Fall.

This September, we will host more than 600 professionals and thought-leaders at our Spirit Forward Summit. After each summit, I'm constantly in awe of the event's attendee turn out, networking opportunities and social influence. It is a bonus to partner with such incredible sponsors year after year who share the same vision as Bacardi - wanting to be known as a company synonymous with being on the forefront of innovation, originality and genuine champions for women's empowerment.

I hope you consider supporting our inspiring program. It is an event where those in attendance connect and build relationships with the companies represented in the space, the speakers on the stage, and with those sitting next to them in the audience. Spirit Forward has a tremendous return on investment; investment in our employees, the community and individuals' futures. I look forward to spending a Thursday of uplifting messaging and engaging networking with you. Thank you in advance for your time, talent and sponsorship consideration.

WITH BACARDI WOMEN
IN LEADERSHIP

Our Bacardi Women in Leadership annual summit is back and bigger than ever. In fact, we are evolving and rebranding our marquee event to Spirit Forward Summit Miami. Still powered by the Bacardi Women in Leadership program, Spirit Forward Summit Miami will bring together even more changemakers who are inspired by celebrating, empowering and educating women and men alike on topics such as gender equality and diversity.

"The amount of thought and effort that went into organizing this event did not go unnoticed. I hope to receive future invitations. Truly spectacular."

"By far, the best leadership conference I have attended. All the speakers were engaging and kept the attention of the audience. I left there feeling empowered not only as a female but as a leader within my organization."

"The experience exceeded my expectations. I appreciated the fact that given the current climate, politics was not brought into the discussions. I will be bringing a group with me next year!"

"Every year it gets better and better - keep up the great work!"
