

Rich Rossetti - Chairman

Rick Cordaro - Treasurer

“Concentrated power has always been the enemy of **liberty**.”
Ronald Reagan

Dear Fellow Republicans,

As you are probably aware, The Town of Manlius Republican Committee is one of the strongest committees in Onondaga County. Our members work hard throughout the year to get our candidates elected and re-elected. As you are also aware, that effort takes funding.

The **Liberty Club** of Manlius was formed in the early 2000's as a fundraising arm of the Town of Manlius Republican Committee. Our primary goal is to raise money for the town Republican Party and to give our members an opportunity to hear from, and interact directly with, our local leaders at all levels of government.

The money raised is used to fund our candidates for town offices and to support other local GOP candidates who represent us in Manlius. Thanks to the support of this organization and the Republican Committee's other fundraising efforts, we had another successful year, winning seven of the eight elections on the Town level and re-electing all three of our County Legislators, despite very active and spirited opposition.

As we kick off 2018, we'd like to invite you to join the **Liberty Club** at either the Gold Level (\$100) or the Platinum Level (\$250.) Your membership for 2018 will not only go to support our great candidates, but, will also entitle you to attend each of our quarterly continental breakfasts.

Our first breakfast meeting is scheduled for April 12th at 8:00 at The Cavalry Club. Our guest speaker will be Ben Walsh, Mayor of Syracuse. Ben ran a fantastic campaign and won handily. Although Mayor Walsh is not a Republican, his insights into the campaign and into future relations between the City, towns and villages in our community should prove to be interesting. I hope you will join the **Liberty Club** so that you may join us for our continental breakfast with Mayor Ben Walsh on April 12th.

Other **Liberty Club** continental breakfast meetings tentatively scheduled for 2018:

Late Spring – Onondaga County Sheriff Gene Conway

Late Summer – Round table discussion on local government with Manlius Town Supervisor Ed Theobald, Village of Manlius Mayor Paul Whorrall, Village of Fayetteville Mayor Mark Olson and Village of Minoa Mayor Bill Brazill

December – Onondaga County Legislature Chairman Ryan McMahon.

Please send the enclosed response card and join today! We hope to see you on the 12th.

Sincerely,

Richard A. Rossetti, Chairman
