Description of the KNSC Director Position:

The KNSC director is the steering wheel to the rest of the KNSC executive committee. As the director, you will create a vision for the team to follow, set a theme for the conference, and delegate tasks to make the conference happen. Not only is this position extremely rewarding for professional experience, but also personal growth.

Roles and responsibilities include:

- Organizing and facilitating weekly to bi-weekly meetings with the rest of the committee*
- Delegate tasks*
- Offer support to teammates*
- Communicate and work with NSS, as well as attending bi-weekly NSS Assembly meetings*

Application Questions
1) Please explain your reason(s) for applying to be the Director of the KNSC 2019 committee.
2) What experiences/characteristics/skills do you possess that you believe make you a strong candidate for holding the Director position?
3) List 1-2 new idea(s) for the 2019 Kingston Nursing Student Conference, and briefly explain your rationale for them.

4) Working on the KNSC is a very interactive and collaborative position as you would be working with many different individuals in planning this event. Briefly describe a situation/experience in which you experienced a conflict and how it was resolved/dealt with.

The position of Director is a part-time (2-4 hrs/week), volunteer position for the 2018-2019 academic year
