### **NSS <3**

Well, isn't this something! We have made it to the end of the school year, and honestly friends: I could not be more proud of each and every single one of you! This has been a HUGE year for the Nursing Science Society and it wouldn't be possible without each and every single one of you.

As a Society, we have hosted more events, services and initiatives than any year before us! We have improved our policies, finished restructuring our governance model for Exec & Councils, and created the best budget system we have had yet!

We have involved more students than any year before, and NSS has seen a MASSIVE SURGE in student involvement! We have never had more students seeking leadership opportunities in one year. As well, our voter turnout hit ~50% for Exec elections, our biggest yet!!

Moving forward, there is still much to be done and we will not stop in our pursuit to improve the Queen's Nursing experience. This summer, I look forward to working with the Exec to:

- Create the online NSS store
- Promote the branding for the new Nursing clinical sweaters
- Revitalize all job descriptions
- Re-organize our Constitution & creating two new policy manuals
- Evaluate the NSS website
- Hold membership on the School of Nursing Advisory Committee
- Lay all the groundwork for the #WETHENURSE campaign that will launch in the fall

Looking forward to continuing to work with you all throughout the summer and returning for another incredible school year!

Thank you for your dedication, support, love, passion, and enthusiasm.

Always proud to be at your service!

**Vincat Scientia Morbos,**

Alexandra M. Palmeri

NSS President 2017

- April 4<sup>th</sup> 7:30 am – 3:30 pm
- April 17<sup>th</sup> 7:30 am – 4:00 pm
- April 18<sup>th</sup> 7:30 am – 4:00 pm
- April 21<sup>st</sup> 7:30 am – 4:00 pm

### **Financial Update**

We are doing well financially and have stayed within the budgets that we proposed as well as those proposed in the funding forms. We hope to continue this next semester and into the future so that NSS can become a sustainable organization. If you have any questions about some of our exact expenditures, please feel free to contact me and I will happily answer your questions.

### **Things to Do in the Summer**

- Alex and I spoke with Dave from AMS about changing student fees for the upcoming year. Unfortunately, we missed the deadline but we will work with Brian (the new AMS VP Ops) over the summer so that we can have the referendum and changes ready to go for the fall semester.
- NSS Website!!! We will begin transition into the new NSS website over the month of May. Hopefully the transition will be smooth and the new website will be ready for Orientation Week Registration in June (please cross your fingers and stay tuned!)

### **Special Skills Survey**

Please fill it out!! <https://goo.gl/forms/A6iC3MuD6SkBIJIs2>

**Interesting Fact:** There are 186 steps from the main floor to the 10<sup>th</sup> floor at KGH (not every flight of stairs has the same amount of steps...is there a secret floor???)

### **Hello NSS!**

With week twelve upon us, I am hoping that I have finally put an agenda together without making (too many) mistakes.

I honestly can not believe how fast the time has gone by and how hard each and every one of you has worked. This semester was truly one of the best for the NSS in terms of initiatives, events, fundraisers, etc. I am so proud of all of you and am very excited to work with you all, as well as our new members (class councils) in the upcoming semester.

### **Late Agenda Release**

I apologize again for sending out the agenda so late! There were many late reports this week as well as OSCEs so I didn't have much free time to put it together Sunday or Monday. With that being said, sorry not sorry for being naggy! Look how great this agenda looks! *Only TWO missing reports (I think that this is a record for the year)!*

### **Elections**

Although there was a slight mishaps with the online voting, everything has worked itself out and we have fulfilled every available class council role with the exception of VP Fundraising for 2019. Additionally, the voter turnout was great! I believe we reached over 50% for each class!

### **Formal**

A HUGE shout-out to Christine for organizing such an amazing and successful event! Your work has not gone unnoticed & I hope that this is something that is continued in the future.

### **Garbage Can Thief?**

I was in the NSS office the other day and had garbage to throw out and to my disappointing surprise the garbage can was gone...

**MISSING**

**Name: Trash Can**  
**~ 2 Years Old**  
**Gender Unidentified**

Trash Can was last seen hanging out with his friend Vacuum, at his home in the NSS Office. He is approximately 13 inches tall and weighs 2 pounds when not full of candy wrappers. Trash Can can be described as having a medium rectangular build with a silver skin tone.

Hello everyone,

I can't believe it is the final NSS meeting of this semester and that means our term of being Interns is officially over. It's been such a pleasure working with you all in the past few months and I look forward to hearing all you will accomplish in your term. A few updates from my end:

#### **First Aid**

Still in contact with Marian and hoping to put this out to first years once she confirms that she is able to teach it for both those who had their CPR done with Red Cross or St. John Ambulance.

#### **Guatemalan Midwives Event**

I had the pleasure of attending this event organized by Rowan and it was very interesting and informative. There were a wide variety of students from faculties and the panelists had such interesting perspectives on global healthcare and accessibility to healthcare.

#### **NSS Orientation Handbook**

The interns are working on designing the Meet the NSS pages for the Orientation Handbook.

#### **Nursing Formal**

This event was a great success and it was fun to help with ticket pick up, student awards and oversee other tasks. Shout out to Christine for all her efforts and hard work in organizing this event.

#### **Future Interns**

We hope to meet with Taylor sometime in the near future about the current roles and responsibilities of the Interns.

That's all. Best of luck with exams and have a wonderful summer break ☺

Hi everyone! There isn't too much from me, so this will be a fairly short report.

### **Letter to AMS**

The letter has been sent to Carolyn Thompson!

### **Study Buddies Grant**

Verbal Report

### **Nursing Formal**

Unfortunately I haven't been able to attend the Nursing Formal this past Friday, but I hope that everyone who attended had a great time. I had fun working with a few members of the NSS council in working together to purchase and create some of the prizes for the Nursing Awards- hopefully those were enjoyed!

That's all for me- I'll verbally update if anything new comes up! I hope everyone has a great week and best of luck on everyone's exams! ☺

**April 5<sup>th</sup>, 2017**

Hello everyone!

I know we're all gearing up for the start of exams, and the end of this school year, it's an exciting and busy time of the year! Thank you all for all of your hard work over this past semester, you are all amazing! On to some updates from me:

### **Truth and Reconciliation Task Force Final Report**

The Truth and Reconciliation Task Force was tasked with the goal of reducing the barriers to education and creating a more welcoming and diverse campus for students, staff and faculty who identify as Indigenous. The TRC Task Force's report explores issues such as relationship-building, changing perspectives and policy, and promoting an awareness of the rights, histories, and contemporary issues of Indigenous peoples. The recommendations can be found here: <http://queensu.ca/provost/committees-and-reports/truth-and-reconciliation-commission-task-force>

### **Constitution and Policy Manual**

I have been able to meet with a few of you regarding your Commissioner portfolios. It appears that I will not have enough time to meet with all of you by the end of this semester. As such, I will be e-mailing each of you with the parts of constitution that are pertinent to your portfolio, and I encourage you to make recommendations for changes.

### **OSLER Kingston**

Like and share OSLER's Facebook page to hear about exciting opportunities for interprofessional learning and community health promotion events!

Wow! The end of the semester already. It's been a busy, but rewarding couple of months, and I have really loved working with all of you!

Here are my last updates of the semester, but it is defiantly not the last of me! I will be busy in the summer with the career fair and getting Study Buddies 2017 up and going!

### Study Buddies

- The health assessment simulation and anti-anxiety workshop is scheduled for Monday April 10th. Calling out for patient volunteers and "exam markers".
- Exam review session on on their way. I've been in contact with the TA's and we will be meeting to discuss dates and content of the sessions. There will be lots of posting about these sessions, so keep an eye out!

### Career Fair

- Looking to start a committee that would be interested in helping organize the fair! Start with a general meeting, then slowly work our way towards creating different committees for the various aspects of the fair! If interested please let me know 😊

### Awards

- Have been in contact Kelsey about grad awards, and will be meeting up with Alex to review the apps! Will get in contact with Ashley for the 2017 AST's.

"Oh, screw beautiful. I'm brilliant. If you want to appease me, compliment my brain". - Christina Yang, *Grey's Anatomy*.

This is for everyone who, like me, hermits during exams and their wardrobe consists of sweats, hoodies and warm socks.

Good luck with exams everyone!!

## Health and Wellness Commissioner

### Report to Assembly

Rowan Stanford Ladon

[13rsl5@queensu.ca](mailto:13rsl5@queensu.ca)

---

Hello everyone! Happy Week 12! We are almost there!

Last Saturday March 25<sup>th</sup> we had our talk with Indigenous Guatemalan midwives and doctors at Haynes Hall. The talk was amazing, and we had an excellent turnout from nursing, medicine and other faculties.

Raul Scorza from *Horizons of Friendship* mentioned he is interested in collaborating with the NSS in the future for similar events so stay tuned for other exciting opportunities!

For those of you around for the summer, in May he will be hosting a fundraising event at The Brew pub. It will be a painting night, with proceeds from each canvas going to projects that Horizons is currently working on.

I am working on the health and wellness survey right now as well. Keep your eyes open for that!

Nursing formal was a lot of fun! Thank you to Christine for all your hard work in organizing it!

Quote of the Week: "If you can't find the sunshine, be the sunshine!"

## **Social Issues Commissioner**

### **Report to Assembly**

**Erin Roach**

[eerkr1@queensu.ca](mailto:eerkr1@queensu.ca)

---

### **Updates**

- Thanks for the food drive everyone! We donated 3 full bags of food to the AMS Food Bank. Someone ended up moving the bags from one table to another in the NSS lounge and subsequently not everything was in the labelled bags. SOOO with that being said, how should I choose a winning class? I NEED YOUR INPUT!
- Would anyone be willing to talk at the Anxiety Panel for the first years? Still waiting on a date from MJ and his team but I was planning to have 4-5 upper years briefly discuss how they cope with OSCEs and then open up the floor for the first years to ask questions.

GOOD LUCK ON FINALS EVERYONE AND HAVE A GOOD SUMMER ☺

## Events Commissioner

### Report to Assembly

Christine Figeys

[events@nss.queensu.ca](mailto:events@nss.queensu.ca)

---

### Nursing Formal

- What an incredible evening! Thank you to everyone who attended and helped to make this night happen!
- Pending Constable Bill. Currently still within budget, however due to the amount of constables that ended up being there, I may have to ask NSS between 100-250\$ to help cover the costs of the constables. Will keep NSS updated.
- I hope to hire a formal committee in the fall semester for the continuation of this event.

### Underground

- Very successful as well! Tickets sold fast.

### Second Semester

- Cogro Open Mic Night
- Perhaps another Underground Night
- Either A) Picnic and Popsicles by the lake or B) Popcorn and Movie night at the NSS office.

Thanks everyone for a wonderful semester ☺

## CNSA Official and Associate Delegates

### Report to Assembly

Kaitlyn Meloche & Holly Dye

[cnsa@nss.queensu.ca](mailto:cnsa@nss.queensu.ca)

Hello Everyone!

We hope you had an amazing time at the Nursing Formal on Friday and got to have time to relax before exam season hits us! Can you believe it is week 12 already?!

### Regional Conference

We have hired the committee for the conference and will begin preparing very soon!

### Boards

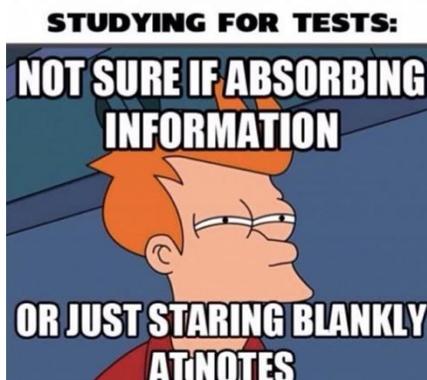

If you have been in the lounge recently you might have seen the “CNSA Updates” board as well as the “Meet the NSS” board. We will do our very best to post relevant information on the board so that everyone is updated with what is going on in the CNSA.

### Budget

With the school year coming to a close we are hoping to meet with Cheryl and work out the budget so that it is all sorted out by the start of September. We know this first came up when we were talking about putting together welcome packages for the incoming students, so are we still doing that?

Have a great summer!

## Head Cape, Nursing Orientation Week

### Report to Assembly

Hi everyone!

It's crazy to think that this year is coming to a close... I feel like second year and my time as Head Cape only started last week! I have had so much fun working with everyone on NSS and can't thank you all enough for the support throughout the year as we plan an Orientation Week - we couldn't have done it without you!

### A few final updates:

1. ORT Training was held this Sunday for all executives and leaders - it was a blast and I know that our leaders learned a lot and are on their way to being the best CAPEs they can be!
2. Our final bottle drive is still underway with the Engineers, which we plan on wrapping up this coming Saturday - this was a great way for CAPEs to meet their FREC groups and raise money for both groups!
3. All of our event forms are in and being approved by ORT right now - which gives us a break and time for exams before all the edits come back!
4. We hope to see members of NSS at some events throughout Orientation Week (DEFINITELY year dances and hopefully Sandbanks!)
5. If you have any questions, comments, concerns or cute baby videos, please send them my way over the summer, I am available at [nursingorientation@ams.queensu.ca](mailto:nursingorientation@ams.queensu.ca)!

Thanks for everything!
