Issuing New Id Cards to All USA Jamaat Members

Pursuing the directions from International Markaz, US Tajneed Team has embarked on an initiative to issue new Id cards to all US Jamaat members. These new Id cards will bring US jamaat Id cards into compliance with international standards and also will allow US jamaat members to participate in Jamaat events across the globe with ease. These are new Id cards and will replace any existing cards that members have. All existing cards will stop working at some point in future.

We are requesting each US jamaat member (or head of family on behalf of each of the family member) to visit the website:

www.ahmadiyya.us/card

and submit required information. Each member would then be asked to submit a passport size photo to the following email addresses (Photo requirements are on the 2nd page of this letter):

Women.Photold@ahmadiyya.us (Photos of female members)

tajneed@ahmadiyya.us (Photos of male members)

We will then send a new Id card after verification. Photos will be printed on the Id cards for all members. (A Sample of the new cards is on the 2nd page of this letter. **Note:** If a member has already received Id card of this design, he or she **DO NOT** need to apply for the card again.)

In case you have any questions, feel free to write to the tajneed team at tajneed@ahmadiyya.us or contact your local jamaat president. JazakAllah.
