

# Cleobury Mortimer Footpath Association

is a member of Shropshire Council's Parish Paths Partnership (P3) scheme. We have monthly work parties to maintain local Rights of Way. This includes footpath clearance and installation or repair of stiles, gates, bridges, fingerposts etc. We also encourage use of local footpaths by leading Sunday walks in and beyond our parish and produce a number of printed guides for walks in our glorious countryside.

## Walkers are Welcome

Cleobury Mortimer joined this volunteer led national organisation of affiliated towns in 2010. This status is awarded to towns with well maintained, safe way-marked footpaths and who give a warm welcome to walkers in their accommodation, pubs, cafes, and shops.

## Build walking into your daily routine

Start gradually, set yourself small targets and goals and build slowly from there. Small changes can make a big difference. The most important thing is to make a start as any activity is better than none. To get the most benefit you need to do 30 minutes continuous moderate physical activity on at least 5 days of the week and any health benefits gained will be lost if you don't stay active.
