Assessment Conclusion

Step 1:

- Once done completing the assessment, Visionstryt will review and analyze
- Thereafter it will be sent back to you with our feedback.

Step 2:

- An appointment will be scheduled with you to discuss the feedback we provided as well as the recommendations we advise on.
- Once both parties are happy with the discussions and decisions made, a formal proposal will then be made that will include time frames and budget.
- Step 2 will take 5 – 7 working days to complete

Step 3:

- Once the budget, final strategy and time frames have been approved, the final proposal document together with the working contract will be sent to you for signing.
- The work will then commence on taking your brand to the highest possible level.
