Off Leash Areas

Jurien Bay and Cervantes both have off-leash areas for dogs on beaches at the northern and southern ends of town, dogs have to be on-leash in the main town areas. In Jurien Bay the off-leash areas start to the south of Shingle Avenue and to the north of the boat harbour groyne. In Cervantes the off-leash areas are north of the jetty from the end of Catalonia Street and south of the end of Barcelona Street. There are also doggy bags for picking up items when nature calls in most parks and along the main foreshore paths in each town.

Visiting National Parks and The Pinnacles

For anyone with a dog that wants to visit the Pinnacles, there is a Department of Parks and Wildlife depot in the light industrial area in Cervantes on Bradley Loop that has self service kennels available. Users are encouraged to bring their own padlock and can supply amenities and food etc for their pet but pets can be left in the kennel enclosure during depot opening hours (8am-4pm weekdays). Enquiries can be made via the DP&W regional office in Jurien Bay 08 9688 6000.
