

Dear LNES Families,

ALOHA!!! It's that time of the year! Time to catch the reading wave and make a splash in your reading as you keep working towards the goal of reading 100 books this year. Keep recording your books and chapters on the recording sheets that were sent home so you will get credit for participating in this year's reading challenge. The recording sheets are due in February so there is still plenty of time to reach your goal of reading 100 books!!! They can be found on our school website, too!

As a way to celebrate our reading challenge, we are going to have a special school-wide "*read-in*" on Friday, Nov. 16th. Here is a list of what all students will need to bring from home to school on Friday, Nov. 16th: (early dismissal day)

- * small flashlight (please make sure the batteries are fresh)
- * one beach towel or small blanket (no surf boards please!)
- * 3-4 favorite books to read (these books can be added to the recording sheet)

Thank you for your support of our building reading challenge in your homes and with your children. We appreciate everyone's effort to help each child complete the building reading challenge this year.

Keep Reading!
