2017-2018

By signing and submitting this form, I acknowledge understanding and acceptance of the following:

- **Bus applications for returning students must be submitted with payment by MAY 8, 2017 to the school office to be considered on-time. A \$25.00 late fee will be assessed after May 8, 2017.**
- Parents and students should be familiar with the behavioral expectations for riding the bus as outlined in the Student Code of Conduct.
- Students who misbehave on the bus may be restricted from riding the bus. Safety is our first concern.
- Students will only be picked-up and dropped-off at their assigned bus stops.
- Buses are equipped with video and audio recording devices. All children riding the bus are subject to being recorded at any time. The district reserves the right to use the recordings in any disciplinary hearing or decision.
- The District will inform families of any bus changes or delays via phone and email blast.
- In order to provide consistent and timely services, parents should plan to have their children ready to board the bus at the designated time and location. It is recommended that students arrive at the stop at least 5 minutes prior to the time assigned at the stop.
- Bus routes and stops are subject to change every year and will be determined based on applications received by the June 30, 2017 deadline.
- Bus stops will be assigned and emailed to parent/guardian on file.
- In an effort to create and sustain an efficient transportation program, bus routes are created and then do not change. Routes will be determined using bus registration information received by June 30, 2016. Late registrations or new student registrations will be added to existing routes.
- Bus passes are required for all students to use District 67 bus service. The passes will be distributed on the first day of school.
- These passes are only required for the regular morning and afternoon bus runs.
- No bus pass/no ride rules will be enforced after October 13, 2017.
