NORTHERN LIGHTS PLAN

*****Best Deal for Alaska & Canada*****

6 Months of Service & 200 Included Minutes
\$245

Renew your service every 6 months to keep your sat phone active and get 200 minutes

Your unused balance will rollover with every renewal! **

- This is our most popular prepaid plan for Alaska & Canada use. It works in mainland Alaska & Canada and 10 nautical miles from shore. It does not cover small islands (St. Lawrence, St Paul, Middleton, Diomed, etc)
- Free voicemail and incoming SMS (text) messages.
- \$30 activation fee.
- You can call anywhere as long as you are in the covered area however, calls overseas are billed double.
- Remote & fast minute reloads
- Courtesy auto-renewal option available

***** New Iridium prepaid policy: Customers who want to have or have a SIM card active for 3 or more years will be able to continue to renew their service and rollover minutes; however the SIM card will not be allowed to exceed the equivalent of 3 years worth of service (1,200 minutes) if you have been adding 200 minutes each renewal.***

Oldest unused minutes expire after 3 years as long as you continue to renew your service every 6 months.

Differences Between Worldwide Prepaid & Monthly Plans

MONTHLY "Pay-As-You-Go" PLANS

- NO yearly contracts with our company! NO deactivation fees!
- Excellent for high airtime users because you do not have to worry about running out of minutes. Unlimited airtime we simply bill you on a monthly basis
- View your past bills & current call records online!
- Detailed call records are also emailed to you on a monthly basis
- Credit card auto pay option available or we can send you a monthly invoice if you have a credit account with Surveyors Exchange
- Calls are billed in 20 sec increments. SMS messages are billed at half a minute
- No grace period. Once you deactivate your SIM card it cannot be reactivated
- The 30 minutes included per month with the Adventure plan will not rollover to the next month

PREPAID

- No contracts
- Your unused minutes will "roll over" if you renew your service before your expiration date **
- Free voicemail and incoming SMS messages
- Calls and SMS messages are billed in 20 sec increments
- Every time a call is placed your balance will be announced
- Easily add minutes to your satellite phone over the phone or by email 7 days a week!
- Minutes are usually added in ONLY 1 HOUR!
- 270 day grace period after reaching expiration date
- **IMPORTANT: IF you use all of your minutes. YOUR SAT PHONE WILL NOT WORK!!!**

**If you do not renew your prepaid card before it expires your phone will be
UNOPERATIONAL WHILE YOU ARE IN THE FIELD &
YOU LOSE ALL OF YOUR UNUSED MINUTES!!!!**

— We will give you a courtesy call/email 2 weeks before your expiration date —

"Auto Renewal" Option Available for Prepaid Plans
