

## ***GIRLS BASKETBALL CAMP***

The Evergreen Girls Basketball program and the Hillsdale Women's Basketball program will be teaming up this summer to teach a variety of fundamental and advanced basketball skills. Campers will focus on drills specific to these core elements - passing, ball handling, shooting, and defense. Older campers will also gain one-on-one drills and gain a better understanding of their position. The girls will participate in contests as well as games to teach them a competitive, yet sportsmanship type spirit! Our goal is to assist each camper in becoming a more well-rounded basketball player.
