

# Baby Bingo

## Idea Starters:

- 1) As you put any of the items on the list below into boxes on the Bingo chart → cross them off below. You may think of many other ideas instead or in addition to these!
- 2) You're even welcome to find out what any of the gifts are that were brought today!
- 3) You *may* write in items that you or others brought, **but NOT in a row.** ☺
- 4) You may put the same item in more than one box, but block out only **ONE** box if that item is given; a *separate* same-item gift must be opened to block another.
- 5) Once the first gift is opened, all writing-in of items stops. ☺
