5pm—8pm

96 LONDON BLACK CABS | 120 WW2 VETERANS | A ROAD TRIP TO THE NETHERLANDS

This event includes a screening of *Return of the Liberators* (dir. Janet Hodgson), a documentary about the antics, camaraderie and acts of remembrance of a London Black Cab charity road trip to The Netherlands with 120 World War 2 veterans. After the screening, join us around the piano with some of the veterans who appear in the film for some good old-fashioned wartime songs and cockney favourites.
