

Minutes of the Annual Meeting of the Connecticut T-Hangar Association

Date of Meeting	2006-03-19
Place of Meeting	efoil, Inc.
Attendance	T.Love, S.Droney, D.Prevost
Matters Discussed	<p>1. In accordance with Association bylaws the Association will be overseeing the continuing litigation with the City of Hartford regarding the property tax issue, including payment of legal fees. The Association has declared an assessment in the amount of \$500 to cover current and near term costs. Future assessments will be determined by the outcome of ongoing legal proceedings.</p> <p>On the bright side, the States Attorney Generals office has started taking interest in the case. We have also been able to get AOPA involved in the issue which is good timing as they are currently working with the State to help enact legislation which would exempt certain aviation related parts and services from the State sales tax. Please note that this is a change from prior funding for legal fees in that this is an assessment on all 34 hanger units by the Association. Please make your checks payable to CT Hangar Association, Inc. and mail to P.O. Box 271762, West Hartford, CT 06127-1762.</p> <p>On a side note, I have only received 6 checks for the previous electric charges billing. Please get both payments in ASAP.</p>
Resolutions	Resolved: The lawsuit and related assessments shall be continued
