Received August 1, 2018 and is effective until further notice

==== Please do not contact the U.S. Embassy or the Philippine Air Force as ====
==== it further delays any restoration of outbound Clark SPACE-A flights. ====

JUSMAG/U.S. Embassy just advised us this morning that affective immediately the Philippine Air Force has implemented another change to the base access policy. Due to an overwhelming number of space-a passengers submitting requests for base access. They are requiring JUSMAG/U.S. Embassy endorsement letters to accompany all requests. JUSMAG/U.S. Embassy cannot currently support the new policy and therefore has requested to cease all space-a base access requests until further notice. Passengers who have already submitted and received an approval are good to go. However, No new requests are permitted until a resolution can be done. We apologize for any inconvenience this may cause.
