- a. Presentation & discussion with Mr Michael Wicks (CDP Architects) and Mr John Barnes (Shepherd Neame) on possible development plans at land at the rear of the Queens Head, The Street.

The discussion covered the proposal of obtaining planning permission for two dwellings on land to the rear of the existing pub garden and carpark, with a view to selling the land if/when planning permission is granted. Councillors present asked questions relating to the proposal but did not make any formal comments.

It was noted that once a planning application has been submitted to Swale Borough Council and the Parish Council are subsequently asked for formal comments, a further meeting will take place. It was also noted that there were no specific objections to the draft proposal as explained at the meeting.
