574 PLANNING APPLICATIONS

- a. 18/505950/FULL & 18/505951/LBC** - Installation of a 6 kW PV array on the garage roofs and the rear east side elevation roof of the house at 194 The Street.
194 The Street

The Parish Council raises no objection to this application but does make the following comments:

1. There are concerns that if permission is granted in its entirety that it may set a precedent for overdevelopment/use of solar panels in a Conservation.
2. The use of solar panels in a Conservation Area may subsequently be detrimental to the visual impact to the Conservation Area.
2. Consideration be made by Swale Borough Council to the use of solar panels on a Listed Building which will minimise the alteration of the appearance of the Listed Building.
