

The following is a list of counseling agencies within Sheboygan County that provide outpatient counseling, which may include individual, couples, family, and group therapy options. These agencies may employ therapists, counselors, psychologists, psychiatrists, social workers, and substance abuse counselors, among others, as mental health professionals and clinicians.

Mental Health America in Sheboygan County (MHA) believes that *professional treatment is beneficial and recovery is possible*.

For a more **detailed referral and consultation** to a mental health professional (i.e. insurance requirements, financial needs, medication management, specialty area of expertise, etc.) or *any other questions* as to what types of services and resources are available for your mental health, please contact the staff at **MHA** or visit our online mental health professional database at search.mhasheboygan.org.

Recovery is possible. There is hope. Treatment works!

**Lakeshore Community Health Care and Ozaukee Community Therapies are currently the providers for United Way's school-based mental health PATH (Providing Access to Healing) program. PATH provides confidential licensed mental health therapists in participating Sheboygan County schools, removing financial and geographical barriers for students to access care. Inquire with your school counselor to see if the PATH Program is a possibility for your child.*
