Goal setting is a very important part of the school year where your child sets individual learning and personal goals they have identified as their next learning steps. These meetings allow you to be part of this process, knowing what your child has set as goals, how they intend achieving their goals and discussing what support they think they need from home to help achieve their goals. Please make sure you have booked online. Bookings will close at 12.30 pm on the day of the interviews.

WEB STEPS - Available to your child

Steps is an internationally recognised programme which is used in over 700 schools throughout New Zealand. Steps is a research based literacy programme. It is non age specific, which means anyone regardless of age and ability can be catered for.

Aims of the programme are to strengthen:

- letter/sound correspondence
- Processing skills with sounds and sound patterns
- Rapid whole word recognition
- Spelling accuracy

You can purchase Web Steps yourself online for your child. However, Learning Staircase who manage the Steps programme provide a less expensive option through your child's school. We can register your child for Web Steps at a cost of \$15.00 per student. Websteps allows students to access the programme on any device.

If you are keen for us to register your child through the school for Web Steps please email: karenh@croprimary.school.nz. Karen Huffadine Learning Support Coordinator

SOKS

We need your help!

In addition to fundraising, from time to time we help make meals or baking for a school family that might be going through a hard time. We would love to have more helpers. If you are interested in being on a list that might get called up from time to time (we average 2-3 times a year) please email Tanya at tanya.metrografix@xtra.co.nz

We are also on the look out for one or two people to take over the subway/ sushi orders from Term 2. This involves about 45 min of your time on a Tuesday or Thursday morning from 9:15. One person could do both days or two people could do a day each. If you can help in anyway please contact Nikki at nzlivingstone@gmail.com
