

## Can These Women Bring Non-Violence to Ukraine?

Congratulations to the women of the Alternatives to Violence Project in Odessa, Ukraine on Women's Day!

On Saturday and Sunday, I saw again how important is this work you do. I was grateful to be one among you. This has been and is a time of violence in our world (especially in Ukraine). Peace, justice, understanding and non-violence changes hearts and minds.

I am proud to know you and have your wisdom in the work of This Child Here.

You create the place where hope begins for a better and more peaceful Ukraine and world.
