Blooming for the future

NOVEMBER 20, 2018

- Parents please make sure the children are wearing their daycare shirts on Friday. The children will receive one more shirt that will be long sleeve. I should be getting them this week.
- Upcoming closures: 11/22/18 Thanksgiving, 12/24/18 Christmas Eve & 12/25/18 Christmas Day.
- If you have an email address I will need it to send updates of when I post something new on the website that I need you to look at.
- I'm making an amendment to the Parent Handbook. The licensing department requires that no other children can be present who are not enrolled for a period longer than what it takes to pick up an enrolled child from the daycare. For safety reasons outside play equipment & indoor toys are for enrolled children use only. See addendum for more detail.
- I posted on the website daycare & elementary school closures for 2018-2019. I based this information from the school calendar given to me by the school office.
- I'm having canvas tote bags printed and they will be hung on exit fence when your child has dirty clothes to take home. These bags are to be left at the daycare for future use. The bag you bring on Monday to carry the blanket & sheet are to have the child's name written outside or inside the bag.
- Parents who belong to Options please sign your timesheet before the end of the month and review to make sure your signature is on Time In & Time Out.
- Please do not bring any toys or backpacks from home. I have infants that put everything in their mouths and I've seen very small items that can be hazardous to the infants. For safety reasons nothing from home should be brought into the daycare unless prior approval is given as a share toy during circle time.

Thank you for your continued understanding and support.
