Looking for a relaxing get-away to work on your quilting and crafting projects?

Join us Winter, Spring and Fall for a fun and laid back experience at one of Oklahoma's most historical sites. You get your own 8ft. table station to enjoy while working alongside other participants.

Stay for 3, 5, or 7 Days. Choose a shared or private room.

The food is prepared for you and there's no dishes to wash. We offer climate controlled lodging and workspace with WiFi.

Bring a friend or come alone. Either way, you will be leaving here with new tips, tricks, friends who love quilting and crafting as much as you do.
