A single print may not be entered in more than one category. At check-in time, you may correct spelling, change title or price, or remove listings from the show but you may not change categories. Entries that have placed Best in Show, Most Popular, 1st, 2nd, 3rd or Honorable Mention at a previous Fredericksburg Photography Show are not permitted. Photographs must have a title of no more than 25 characters, including spaces. Photographs must not be signed on the front.

- **Entry must be assembled for hanging as follows: 1) matted - bright white single mat, bright white mat with black core, or bright white mat with thin black inner mat; 2) dry mounted with sturdy backing (i.e. foam core); or 3) printed on canvas, metal or acrylic.**
- **The finished product must be a minimum size of 8" x 10" and a maximum size of 16" x 24". NO FRAMES, NO GLASS OR PLASTIC COVERING. NO EXCEPTIONS! ALL ENTRIES MUST BE READY TO HANG WHEN DELIVERED. - **The Fredericksburg Photography Club and the Fredericksburg Parks and Recreation Department (FPRPF) will not be responsible for items exhibited, and will not pay repair or replacement costs for any photographs lost, stolen or damaged while at the Community Center.**
- If a submitted image is not, in the registrars' or judges' opinion, consistent with the category description, the Club reserves the right to move the entry to an alternate category. The Club also reserves the right to reject entries that it determines to be inflammatory or offensive to community sensitivities.
- DIGITAL versus FILM? It doesn't matter what type of camera was used, images taken with digital cameras and images taken with film cameras can both be entered into any category. Likewise, the printing technology does not matter; ink jet printing and darkroom printing are both acceptable in the Fredericksburg Photography Show. For all categories (*except Abstract & Digital Art*), the use of digital technology must be consistent with techniques traditionally used in darkroom practices. Allowable adjustments include those made by the photographer to produce the best representation of the image he/she envisioned when looking into the viewfinder originally. Allowable adjustments for all categories include: color adjustment, exposure, brightness, contrast, dodging or burning, sharpening, saturation, cropping, resizing, rotating, conversion to monochrome, and eliminating dust or scratches.

Photographers are responsible for getting their photographs to the Community Center, 408 Canal Street, on **Monday, June 18 from 9am to 8:30pm; and Tuesday, June 19 from 9am to 4pm -- NO EXCEPTIONS!** At check-in time, you may correct spelling, change title or price, or remove an entry from the show but you may not change categories. **NOTE: Entry fees are not eligible for refund if you fail to deliver your photographs during the specified times.**
