FORWARD LOOKING STATEMENTS

Certain statements in this release are forward-looking statements, which include regulatory approvals and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. Readers are cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific that contributes to the possibility that the predictions, estimates, forecasts, projections and other forward looking statements will not occur. Forward-looking statement are necessarily based upon a number of factors that, if untrue, could cause the actual results, performances or achievements of the Company to be materially different from future results, performances or achievements express or implied by such statements. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, present and future business strategies, the environment in which the Company will operate in the future, and other factors, many of which are beyond the control of the Company. While such estimates and assumptions are considered reasonable by the management of the Company, they are inherently subject to significant business, economic, competitive and regulatory uncertainties and risks. There can be no assurance that the proposed Transaction will be completed or, if completed, will be successful.
