Bird List follows E-bird/Clements Checklist 2018				

Date: _____

Weather Conditions: _____

Total Species: _____

Key to Status Codes

Spring = March, April, May
 Summer = June, July, August
 Fall = September, October, November
 Winter = December, January, February

a = abundant (numerous)
c = common (certain to be seen in suitable habitat)
f = fairly common (likely to be seen in suitable habitat)
u = uncommon (present, but not certain to be seen)
o = occasional (seen only a few times in a season)
r = rare (not seen every year)
***** = irruptive species (more common in some years)
****** = accidental
= Breeds at Beaver Lake

Bird list compiled and designed by Simon Thompson
 Marilyn Westphal, and Charlotte Goedsche.
 Input from many EMAS members.

Beaver Lake Birdwalks are held throughout the year
 on the first Saturday of the month.
 They begin at 9 AM, except from April-September
 when they begin at 8 AM.
 Please meet at the Sanctuary Parking Lot at 1056
 Merrimon Avenue in North Asheville.
