

Dear Resident,

I am writing to notify you of an upcoming temporary road closure which may affect you.

The road closure will affect residents in the vicinity of **FRAMLINGHAM ROAD, LAXFIELD, IP13 8HD**. This is on behalf of our client **UK Power Networks** and this is to allow them to undertake **WORKS ON A NEW ELECTRICAL SUPPLY**.

These works will take place from **26/11/2018** with an anticipated completion on or before the **30/11/2018**.

**UK Power Networks** apologise for any inconvenience this works may cause and will endeavour to complete as soon as possible.

Due to a legal order being in place and approved by the Local Authority, parking within the works area will not be permitted, however you will still be able to park in your off-street driveways as per normal but access may not be permitted from both ends. Once work has commenced we would recommend speaking to the personnel on site who will be able to inform which end of the closure you will be able to access your property from. Any vehicles left within the closure are done so solely at the owners risk.

A legal order of a TTRO has been gained to allow this road closure to proceed. Details of this can be viewed on <https://roadworks.org>. This letter is part of the overall communication process.

Should you wish to discuss any aspect of the works taking place including access to properties, please call the works undertaker, who in this case is **UK Power Networks** on **0800 783 8838**.

If you have any questions or would like further information relating to the traffic management, road closure & diversion, please contact us on 01379 676462 choosing option 3 for the planning department or email [enquiries@tmohighways.co.uk](mailto:enquiries@tmohighways.co.uk) stating the reference **TMO/20944**. All emails will be answered within 24 hours of receipt.

We are committed to ensuring our collaborative works causes as little disruption as possible and your co-operation in supporting our work activities is appreciated.

Regards

A handwritten signature in black ink, appearing to be "B. W.", is written over a faint circular stamp.
