

September 2017

Enclosed is a Storage and Service Application for the coming winter. Please note the terms on the application and the following:

1. Complete and return the application. It is our intention to haul only those boats for which an application has been received.
2. Send a deposit check for \$1,500 (boats 25' and over) or \$750.00 (boats under 25') with the application by October 1st.
3. Boats should be at the yard for storage prior to November 15th or a 15% surcharge may be added to your storage account.
4. Attach or email a written work order covering those services required in addition to the items checked on the application. We will be glad to prepare the work order with you if you stop in at the boatyard.

e-mail: sneedham@chmb.net

5. Length overall (LOA) includes swim platforms and bowsprits and will be used to determine storage and shrinkwrap costs. Other per foot costs will not include swim platforms and bowsprits in the length calculation.
6. Inside and outside storage space will be assigned by the boatyard based on your wishes and on the amount and type of work ordered. Shrinkwrapping can be provided for boats stored outside.
7. The owner is required and agrees to provide and maintain full liability and hull insurance on his/her vessel.
8. Please remember to sign the Winter Storage Application because without your signature we have no authority to haul your boat.

The more information you supply now, the better we can serve you.

COECLES HARBOR MARINA AND BOATYARD, INC.

WINTER 2017-2018 STORAGE AND SERVICE APPLICATION

Owner _____ Boat Name _____
Boat LOA _____ Beam _____ Draft _____ Make _____
Comb. # _____ Key Location _____
Approx. Haul Date _____ Approx. Launch Date _____
Home Address _____
Billing Address _____
Home # _____ Work # _____ Cell # _____
Email _____

*****Terms*****

1. Storage and service charges are payable in full upon presentation of invoices and before the boat leaves the boatyard. A service charge of 1.5% per month will be added to overdue accounts.
2. No "For Sale" signs may be displayed. The yard is not responsible for loss or damage due to fire, theft, storm, flood, collisions, vandalism or any other cause. The yard is not responsible for the loss of any personal items or loose gear left on board.
3. The yard will winterize and commission all boats, paint the bottom, and do all required work from the rail down. The yard will do all work on boats stored inside. The yard will unstep, store, and step the spars on all sailboats. No component of a fuel or electrical system may be removed or worked on by the owner of any boat stored at the yard.
4. During the Winterizing and Spring Commissioning process, our technicians need access to various confined areas of your boat. Please help us by removing loose gear and stowing it ashore for the winter.
5. Requests for work which are received after Jan. 01 will be acted upon on a first come, first serve basis. Jobs using owner-supplied materials will be done only if time permits.
6. Vessels will be launched in the Spring according to the lay-out of the yard. Verification by the owner is requested at least two (2) weeks prior to the desired launch date. Before taking delivery, please contact the yard to arrange for final settlement of accounts. Boats remaining at the dock or at a mooring longer than one week after launching will be charged the daily rate.
7. ALL BOATS ARE SUBJECT TO AN INITIAL ONE TIME CRADLE SERVICE CHARGE.
8. Summer season storage will be charged at the same rate as Winter Storage for all the boats not launched by June 15.
