

# 2018 Mt. Tabor-North Tabor Neighborhood Cleanup

Saturday, April 28, 2018

9 a.m. to 1 p.m.

Mt. Tabor Middle School Parking Lot

(Entrance at SE 57<sup>th</sup> and Oak, just north of Stark St.)

Start gathering your junk! The Mt. Tabor and N. Tabor Neighborhood Associations are working together again this year to host our joint cleanup event. In addition to being a very convenient way to get rid of your junk, this event also is a major fundraiser for the two neighborhood associations.

Please spread the word to your neighbors and friends! Anyone can bring stuff to the cleanup—you don't have to live in Mt. Tabor or North Tabor.

We are able to take many kinds of household junk, yard debris, appliances, and electronics. We'll also recycle lots of materials. Our reuse area will allow us to rescue usable treasures that people can take home (for a small donation). In the past, people have gone home with yard tools and equipment, glasses and dishes, books, and even an antique steamer trunk!

**See below for a list of what you can bring.**

**WE CANNOT TAKE SOME ITEMS AT THE CLEANUP:** The rules have changed on what we are and are not allowed to accept at the cleanup. We will be charged hefty fines if we allow any of these items into the drop boxes!

**See below for a list of what we cannot take at the cleanup.** We will need to take a look at all items—including in garbage bags—before they go into the drop boxes. We retain the right to refuse any item.

Contact Metro to find out how to dispose of or recycle any items we can't take: 503-234-3000; <https://www.oregonmetro.gov/tools-living/garbage-and-recycling>.
