

Spring Time FUN Awaits! March 2019

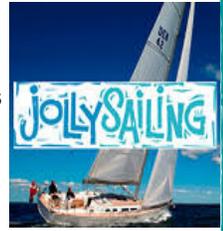

Fun Activity of the Month:

Jolly Sailing

Sailing with dolphins on Northwest Florida's Gulf Coast is a unique experience. Wild dolphins seem naturally attracted to sailboats, often swimming alongside the boat, crossing the wake, playing and feeding nearby. Trips include sunset cruises, day sails, sail and snorkel excursions, and hands on sailing. Sailing cruises from 2 hours to a full day are available.

Enjoy wonderful sights and steady breezes on your sailing adventure!

Cocktail of the Month: BLOODY MARY

Casino Beach Bar & Grill

The Bloody Mary is a vodka-soaked nutritional breakfast and hangover cure all in one. What else could you ask for? The tomato-based cocktail has hundreds of variations, from heavy on the hot sauce to a splash of Guinness on top. It's best to start with the classic recipe and work toward the way you like it, even if it's topped with a shrimp skewer, a slice of bacon and a tiny cheeseburger. Crazy garnishes aside, there's a reason this iconic beverage is a classic.

Best served with Stolli Vodka!
