The WOW Trail is a multi-use, non-motorized recreational pathway in the City of Laconia. The proposed pathway is just over 9 miles long, stretching the length of the City to the Meredith and Belmont town lines. The first 1.3 miles is complete and runs from the RR track crossing at Elm St. in Lakeport to North Main St. in downtown Laconia, adjacent to the Library. A portion of the trail runs along Messer St. (between Bisson Ave and Lyford St) where you will find the sidewalk has been widened and bike lanes added to the roadway. Bicyclists are welcome to use the sidewalk or the road.

Phase 2 will extend the WOW Trail to the Belmont town line. Planning and fund-raising for Phase 2 is in progress.
