- 74% of grads placed in jobs
- 52% of those placed retained job for at least 6 months
- Average starting wage \$9.74

# STRIVE® Service Delivery Model

We offer a distinct combination of attitudinal training and credential-bearing hard skills training, along with targeted supportive services that successfully prepare chronically unemployed individuals for living wage careers. Once placed, we focus on retention and stick with our clients for the long-term.

\*Certain CORE Training graduates are placed into jobs immediately upon graduation of CORE Training.
