

Southern Banana Pudding

Busy Avenues Blog

2 3.4-ounce boxes of instant vanilla pudding mix
3 cups 2% milk
1 14-ounce can sweetened condensed milk
2 8-ounce tubs of Cool Whip
4-6 bananas, thinly sliced
1 box 'Nilla wafers

1. Whisk together pudding mixes and milk. Add sweetened condensed milk and mix. Fold in one tub of Cool Whip.
2. Layer the dessert into a 9-inch trifle bowl, starting with the wafers, then bananas, then one-third of the vanilla pudding. You will need 1-2 bananas per layer.
3. After the first layer (ending with pudding), place 'Nilla wafers standing up in a ring around the bowl. Place more wafers on the pudding, then layer bananas, half of the tub of remaining Cool Whip, and another third of the pudding.
4. Finish the dessert with another layer of wafers, bananas, and the final third of the pudding. Dollop the remaining half tub of Cool Whip in the center of the dessert.
5. Refrigerate overnight.

10-12 servings
