Selling Price per Square Foot

The Selling Price per Square Foot is a great indicator for the direction of Property values. Since Median Sales Price and Average Sales price can be impacted by the 'mix' of high or low end Properties in the market, the selling price per square foot is a more normalized indicator on the direction of Property values. The February 2019 Selling Price per Square Foot of \$212 was down -7.8% from \$230 last month and equal to \$0 in February of last year.
