Svetlana:
Head of Sales,
Hera Real Estate

Svetlana, a Moldovan agent, has been in real estate for the past five years in Bahrain. She brings a wealth of industry expertise to Hera Real Estate Group and her clientele. She aims to go above and beyond the call of duty, in service and as a partner in the company. Leading a team of seven agents, she is excited to educate the public on the unique points of real estate in the Gulf region. Her professionalism and kind demeanor have expanded her client base dramatically, and she truly believes that with enough hard work and dedication, the sky's the limit.

Hera Real Estate is located on the 14th floor of the prestigious Millennium Tower in the Seef District. They are uniquely equipped to provide prospective buyers and sellers with a comprehensive range of professional property services. Their associations with Bahrain's luxury residential and commercial communities enable their agents to be at the forefront of developments in the industry.

Nabeel:
Agent,
Blue Sky Real Estate

Nabeel, a Bahraini agent, having returned to the real estate industry after a brief hiatus, has recently joined Blue Sky Real Estate. His mix of humor and business strength has brought him quick deals and respect from the other agents. His Gulf connections have played a big part in building a vast client base for property sales, rentals and land purchasing. He looks forward to showcasing the public the powerful Bahraini business practices, plus educating them on the warm culture found in Bahrain.

Blue Sky Real Estate is a premiere firm that offers commercial and residential real estate services to individuals and businesses. They assist in leasing, sales, property management and investments. They employ well-trained and ethical real estate professionals who provide the most informative, loyal and dedicated service and are committed to exceeding their client's expectations. Blue Sky Real Estate aims to assist any type of client, from business executives, foreign families, investors to first-time buyers.

Areas of Interest and Properties Shown

Learn about Seef with Sheila

"The real estate market in Bahrain is very competitive especially now that Bahrain is growing so quickly, you just have to look around Seef to know how quickly things are working. Seef area is like the financial hub of Bahrain. Anyone who has investment banking, brokers, they all work from Seef. Huge, huge financial area!"

Learn about Reef Island with Svetlana

"Reef Island is one of the areas that I'm covering in Bahrain. It's located next to Seef District. It offers luxury finishings and a luxury lifestyle. Whenever you enter Reef Island it feels like you are out of Bahrain and on your own island. It is very green, the lifestyle is so unique."

Learn about Riffa Views with Nabeel

"The idea behind Riffa Views was to build a living community around a golf course. With a main focus on the greenery, which sometimes can be lacking in this part of the world, it adds major value to homeowners. "Riffa" means above, and it definitely attracts a client base that enjoys this exclusive address. I want to live in Riffa Views!"
