

## ***Bioethics Seminar – Bi-weekly meetings***

The Seminar, led by Prof. Barilan, focuses on various bio-ethical matters, and meets every other week during the regular semesters. Each meeting focuses on core bio-ethical texts, papers or chapters and includes discussions and guest lectures by experts and research students alike.

Topics over the years included: privacy, virtue ethics, utilitarianism, deontology, moral psychology, human dignity and human rights, Jewish Bioethics, clinical ethics, etc.

Registration: please contact Mr. Joseph Lehman [joseph.lehmann@gmail.com](mailto:joseph.lehmann@gmail.com)
